

What is Sticks-2-Schools?

- Sticks-2-Schools (S2S) is a nonprofit, public benefit corporation, organized under the 501 (3)c section of the tax code. The program helps fight childhood obesity by motivating youth to increase their level of physical activity.
- S2S provides teachers with lacrosse equipment, curriculum guides and on-site instruction to help them introduce co-ed soft lacrosse into their PE curriculum. Since 2005, close to 80 elementary, middle and high schools in the Greater Bay Area have adopted the program.
- Through the generosity of our corporate sponsors and private donors, we've given an estimated 40,000 youth the opportunity to get fit by learning how to play lacrosse.
- To minimize expenses and maximize the program's return on investment, S2S has an all-volunteer Board of Directors and relies on tax-deductible contributions from businesses and individuals to support its programs.

Have you heard about lacrosse?

- Considered to be America's first sport, lacrosse is an exhilarating, fast-paced activity that includes elements of basketball, soccer and hockey. It requires and rewards coordination and agility – not brawn.
- Boys and girls of all ages and athletic abilities can play lacrosse indoors or out – with no dedicated field or special structures required.
- Lacrosse is the fastest-growing sport in the US, with plenty of opportunities for kids to play on teams after school. It's more exciting than soccer, less expensive than ice hockey and not as dangerous as football.

Are you concerned about childhood obesity?

- Nearly one out of every six California children aged five and younger is overweight
- More than 20% of Santa Clara County children older than five are overweight
- Childhood obesity is strongly linked to hypertension, Type II diabetes, impaired balance, orthopedic difficulties, depression and more
- An estimated 75% of these obese children will grow up to become obese adults

Help us help kids get fit and healthy with Sticks-2-Schools™

Sponsor Levels

S2S Advisor: \$5,000

Sponsor a school and help shape the future of the program. Your donation equips an eligible school* of your choice with the S2S program and enables you to become an S2S Board of Directors Advisor.

Diamond Break-Away Sponsor: \$3,000

Sponsor an eligible school* of your choice with an S2S program.

Gold Power-Play Sponsor: \$2,000

Bring the S2S program to the next school on our waiting list. School receives 40 sets of sticks and balls, curriculum guides and a Stealth on-site orientation.

Silver Face-Off Sponsor: \$1,000

Fund a starter S2S program at the next school on our waiting list. School receives 20 sets of sticks and balls, curriculum guides and a Stealth on-site orientation.

Friend of S2S: \$500

There are always more kids who want to play than there is equipment. We have dozens of schools on our waiting list in dire need of a sponsor. We'll combine your donation with contributions from other sponsors to help fund the next school on our waiting list.

Sponsor Benefits

Depending on the level of sponsorship, additional sponsor benefits can include:

- Recognition on the HP Pavilion video board at a SJ Stealth home game
- Recognition in the SJ Stealth Program on the S2S page
- Your name and logo posted on the S2S Website
- Tickets to SJ Stealth Games (donated by the SJ Stealth)
- That wonderful feeling that comes from knowing that you're helping kids get fit and healthy

Please help us help kids get fit and healthy. Any amount you contribute will be used to buy balls, sticks, curriculum guides and fund program needs.

*Eligible schools must be within a 30-mile radius of downtown San Jose and be logistically able to implement the Sticks-2-Schools program.

Sticks-2-Schools relies on donations from generous businesses and individuals to help fund the equipment, manuals, and training provided to schools in the program.
